He watched the staff that stood on the shining floor. In a little while he saw it quiver very slightly, a shiver, a tremble..there maybe a room above the tavern?". "And you feel nothing?". They call this the Otter's House," he said. "Very old. As old as the Great House. Everything is. How long had he been standing here? Why was he standing here? He had been thinking about mud, about the floor, about Silence. Had he been out walking on the path above the Overfell? No, that was years ago, years ago, in the sunlight. It was raining. He had fed the chickens, and come back to the house with three eggs, they were still warm in his hand, silky brown lukewarm eggs, and the sound of thunder was still in his mind, the vibration of thunder was in his bones, in his feet. Thunder?. Only now did the meaning of it all hit me, and I understood how it could be a shock to. been how long? Sixteen years, seventeen years. She turned her long, creamy-white nose and beautiful eyes to look at her rider. He smiled. Gift had never seen him smile..Elehal. But when I come back I'll stay. What I need to find I'll find here. Haven't I found it. "I'm sorry," he said, with enough dignity that Hemlock glanced up at him..," And a man comes when you knock, an ordinary-looking man. And he gives you a test. You have to say a certain word, a password, before he'll let you in. If you don't know it, you can never go in. But if he lets you in, then from inside you see that the door is entirely different - it's made out of horn, with a tree carved on it, and the frame is made out of a tooth, one tooth of a dragon that lived long, long before Erreth-Akbe, before Morred, before there were people in Earthsea. There were only dragons, to begin with. They found the tooth on Mount Onn, in Havnor, at the centre of the world. And the leaves of the tree are carved so thin that the light shines through them, but the door's so strong that if the Doorkeeper shuts it no spell could ever open it. And then the Doorkeeper takes you down a hall and another hall, till you're lost and bewildered, and then

suddenly you come out under the sky. In the Court of the Fountain, in the very deepest inside of the Great House. And that's where the Archmage would be, if he was there..." jolt, no warning, no whistle. Nothing. Diamond and Rose had worked out several such.She asked nothing and he said no more. Presently he got up, and she followed him to the path that always led them, sooner or later, out of the wood to the clearing by the Thwilburn and the Otter's House. When they came there, it was late afternoon. He went down to the stream and drank from it where it left the wood, above all the crossings. She did the same. Then sitting in the cool, long grass of the bank, he began to speak..I can call you. When I think of you." .fire-spouting, flying enemies. Paln was "a plain of charcoal," and villages and towns in the west.Dulse knew no transformation that was irrevocable, no spell that could not be unsaid, except the.She had thought maybe his talk of coming here to cure the cattle sickness was one of the mad bits. He did not act like the curers who came by with remedies and spells and salves for the animals. But after he had rested a couple of days, he asked her who the cattlemen of the village were, and went off, still walking sore-footed, in Bren's old shoes. It made her heart turn in her, seeing that..master say to the helmsman, "Keep her south tonight so we don't raise Roke." .Religion was a unifying element even among the most warlike tribes. There were hundreds of Truce Places on the Four Lands, where no warfare or dispute was permitted. Kargish religion was a domestic and community worship of the Old Powers, the chthonic or gaeen forces manifest as spirits of place. They were worshipped at the site and at home altars with offerings of flowers, oil, food, dances, races, sacrifices, carvings, songs, music, and silence. Worship was both casual and ritual, private and communal. There was no priesthood; any adult could perform the ceremonies and teach children to do so. This ancient spiritual practice has continued, unofficially and sometimes in hiding, under the newer, institutional religions of the Twin Gods and the Godking..was becoming a good craftsman, even his father would admit that.. "If you share his power he won't harm you. To fear a power, to fight a power, is very dangerous. To love power and to share it is the royal way. Look. Watch what I do." Gelluk held up the pouch into which he had put the few drops of quicksilver. His eye always on Otter's eye, he unsealed the pouch, lifted it to his lips, and drank its contents. He opened his smiling mouth so that Otter could see the silver drops pooling on his tongue before he swallowed..He stood in the locked room in the dark and knew he would go free, because he was already free. "Not only a handy man," she said., "You must find the Red Mother," he said, the day after that. They were sitting side by side again outside the barracks. The autumn sun was warm. The wizard had taken off his conical hat, and his thick grey hair flowed loose about his face. "I know you found that little patch for them to dig, but there's no more in that than a few drops. It's scarcely worth burning for so little. If you are to help me, and if I am to teach you, you must try a little harder. I think you know how." He smiled at Otter. "Don't you?" .They could hear men's voices in the fields east of the Grove.."Some flurries," he said. She got a good look at him now in the light of lamp and fire. He was not a young man, thin, not as tall as she had thought. It was a fine face, but there was something wrong, something amiss. He looks ruined, she thought, a ruined man..There are different kinds

of knowledge, after all." "Are. . . are we still in the station?" as much to do with it as his father expected? Maybe he'd find out when he grew up..Songs and stories indicate that dragons existed before any other living creature. The Old Hardic.
